I'm blessed. I have a great butt. I use it to get my way. Of course my cock-sucking and fucking skills don't hurt either. But it's my butt that commands attention and I love it. I was a bit embarrassed by it. In college, I think the guys appreciated it. It's been that way ever since.

I have to admit that I'm a bit of a homebody. I also have to say that I love sex in the bedroom, so when Rick booty-called me and wanted to come over. So I changed the sheets, fluffed the pillows and spruced myself up for what was going to be a hot afternoon, and you get to watch.

I love the taste of cock in the afternoon, and I love to have it deep in my pussy and my ass. I get all wet and horny waiting for cocks to split my pussy lips and plunge inside. I don’t think there was a spot in the garage that we didn’t leave our wet marks on.

HOTTIES correspondence

I"M ALL GROWN UP

My neighbor, Adrian, and I grew up together in the northern suburbs of Atlanta. When we were younger, I would often go to his house and we'd play video games. Now and then his mom would come into the playroom and ask us how we were doing. She was a nice woman, probably early twenties. She always offered me water and snacks. She seemed happily married, but her husband was always at work. When he got home, he ignored her.

So, when we both turned 18, I noticed that my friend's mom started to kiss me on the cheek when I would say 'hi.' She had a nice round butt and nice big tits. A couple years later, she was divorced. Whenever I would come home from college and saw her, she did a lot of flirting. Anyways, I asked Adrian if he wouldn't mind if I fucked his mom and he said 'no,' So I kept asking and finally he said he'd mention it to her, but it would be really awkward. One time I saw her getting home with a bunch of groceries and offered to help her. She was so thankful. She was wearing work-out pants and a really tight white shirt.

After we finished unloading the car, she offered me a beer and I said yes. When she bent over and I took a glance at her light skirt you can see her black thong. Then she comes and sits next to me and hands me the beer and puts her hand on my crotch. She smiles and tells me her son told her I wanted to fuck her. I said "Well..." Now that the occasion was in front of me, I froze. I didn't know what to say or do. She looked at me for a few minutes, wondering if she should say anything. Then what she did shocked me.

She stood up and took her clothes off and said fuck me everywhere in this house so we started in the living room she gave me head like no other. Licked on it like an ice cream cone. She deep throated me and left my dick covered with saliva. Then we went to the shower and I did her up against the glass walls.Then to her room, both of us naked and being dirty, she sucked my nuts then my dick. I fingered her and let her ride me. I kissed her on the neck and breasts while she rode my dick, her boobs and ass bouncing. Then I fucked her doggie and she moaned out loud. I kept pounding it, but she wanted more so I went harder and faster. We became a bit sweaty but got more turned on so we jumped into a sixty-nine and ate each other out.

She sucked me good and I came in her mouth while she sucked. It felt like she sucked all the energy out of me. Up to this day we still fuck and she likes my cock so much I visit her and she's always ready to give me head. She's just as hot as always, and while she's had many suitors, I think she likes me and my cock the best.

POOL PARTIERS

My husband, Casey, and I have known our 'new' next door neighbors since high school, but now, six years later, they bought a house just a couple doors away from us. Allen and Casey golf together, fix their cars together, hit the bars together, and are pretty much inseparable. For all I know they were married in a past life. Coreen and I also enjoy a great relationship. The four of us regularly get together for cookouts, go to the movies, and we've even vacationed together.

One Sunday, Casey and I were at home sitting out by the pool drinking margueritas. The sun was shining and the temperature was perfect, a nice breeze blowing gently. I was wearing a new ultra-skimpy bikini that I'd picked up the other day. Very clearly Casey approved of my purchase. Earlier he'd chased me around the pool slapping my ass, snapping the bikini-top strap, and trying like hell to pop out my boobs. Feeling loose now, I felt it was time for a more tanning and undid my top. Casey nodded and smiled approvingly, his eyes zoning in on my breasts. I returned the smile and with my hands gave them a little shake. "Keep doing that and your tits won't have a chance to tan 'cuz they'll be covered by my face," Casey said. "Yeah?" I chided him, tweaking my nipples. "Maybe tanning's not all they want."

Casey didn't need any more incentive. In no time he was out of his chair and straddling me. His hands locked onto my 38 Ds and started massaging them firmly. I reached up and caressed his shoulders, running my hands through his hair. Casey

bent down and took one of my erect nipples into his mouth, sucking and teasing it with his tongue. Then he took my whole breast into his mouth while his other hand continued fondling the other one.

I moaned a little, my pussy moistening from his touch. I could feel his hard cock rubbing against my thigh. Casey leaned back, patted my clothed pussy, and reached over to grab a towel. He placed the towel at the foot of my reclined pool chair, kneeled on it, and pulled me forward by my legs. His hands reached up and slid off my bikini bottoms, exposing my wet, shaved pussy to the warmth of the sun. "Looks like you won't be drying off here, either," said Casey, tongue out, eagerly diving into my beaver.

It was at that very moment that our pool gate swung open, and through it walked a smiling Allen carrying two six-packs. One of them crashed to the ground when he saw Casey's face buried in my pussy. Casey jerked upright and spun around as I grabbed a towel and covered up. I was totally embarrassed and Casey looked was on the verge of turning beet red. There was an extremely awkward silence as Casey and I stared at Allen and him at us. Finally, Allen spoke. "Sorry Casey. It looks like I interrupted your lunch. We'll just go and come back when it's more convenient."

Casey and I broke up laughing, and so did Allen. Casey stood up and just as he did Coreen bounded through the gate. "Hey y'all!" she said, and then her eyes fell upon the dented beer cans on the ground. Then Coreen glanced over at me. I was still sitting in the pool chair, barely covered by the towel. Quizzically, Coreen now looked over at Casey, and as her eyes ventured downward they were treated to the sight of Casey's raging hard-on threatening to rip through his shorts. Coreen looked at Allen, who shrugged, and then turned back to Casey.

"Nice package, Casey," she said. "I didn't know it was going to be that kind of party. I guess I better adjust my attire," and with that Coreen undid her bikini top and let it fall to the ground. Casey's jaw dropped. As Coreen made her way to the empty pool chair next to me, she grabbed a beer from the remaining six-pack and patted Casey's cock as she passed him. Now it was my turn for a jaw drop, but quickly I closed my mouth and didn't say anything. I wouldn't say that I was in shock, but I was definitely a little bit out of my comfort zone and feeling a bit vulnerable. Coreen sat down in the chair next to me and cracked open her beer.

In all our years of friendship with Coreen and Allen, Casey and I had never heard them mention having sex with other people.

Allen walked up to Casey and said, as if he were discussing a carburetor or a five-iron, "Coreen's found you pretty damn attractive ever since we met. Any chance you and Lacie are into the swing-thing?"

In all our years of friendship with Coreen and Allen, Casey and I had never heard them mention having sex with other people. As if she was reading my mind, Coreen said, "We made a pact with each other not to discuss our sexual extracurriculars with anyone outside of that circle. It appears that the cat is out of the bag," and placed her hand on my toweled thing. Casey's gaze went from Allen to Coreen's tits with their silver dollar areolas and rock-hard nipples. His eyes lingered a moment and then questioningly met mine.

Casey and I had watched our fair share of porn together over the years, so group sex wasn't completely unfamiliar to us. Coreen's hand was now sensually massaging my thigh. Coreen seemed to be reading me again when she abruptly leaned over and kissed me, threading her tongue passionately between my lips. I just went with it and kissed her back, my body clearly not waiting for my mind's agreement. Coreen's exposed breasts pressed firmly against my toweled ones. In the background I heard footsteps and then felt hands caressing the sides of my breasts and my stomach.

I opened my eyes, expecting to see Casey rubbing me down, but instead I saw Allen. He smiled at me and started kissing my tummy. I looked at Coreen and sure enough, Casey was behind her massaging her similarly. I closed my eyes again. This getting pretty hot! I'd never really thought about sex with Allen but now the prospect of it was igniting my pussy.

Allen's hands slipped more firmly between Coreen and me and pulled me backward, breaking our kiss. He turned my head and replaced her lips with his own, simultaneously removing the towel from the equation. One of his hands cupped a boob while the other found my hot pussy, parting my pussy lips with his fingers. I gasped and relaxed into him. Emboldened, he held me more firmly, pinching my nipple and ventured one finger into my pussy while the other ran circles around my clit, his cock now throbbing against my back. I let out a moan, and as if on cue Casey followed suit. I opened my eyes and saw that now Casey was lying in the other chair and Coreen had her lips wrapped tightly around his erect cock, his shorts at his ankles. Casey reached one hand down and latched on to one of Coreen's plump, flopping tits while the other held the back of her head.

Allen broke our kiss and slipped his tongue into my ear, one of my favorite moves. Then he doubled up and thrust two fingers into my dripping pussy. My hand shot around behind me and found his hard cock throbbing between us. I grabbed it through his shorts, eagerly anticipating it burying itself in my twat.

All of a sudden I heard a splash and looked up to see Coreen and Casey inside the pool. Casey grabbed Coreen by the waist and lowered her onto his cock. Coreen wrapped her arms around Casey's neck as he propelled her up and down, moaning. "I want to you to fuck me in the pool, too, Allen." I said.

"Your wish is my command," Allen replied, and pulled his fingers out of my pussy. We both stood up, and Allen dropped trou. I grabbed him by his impressive manhood, led him over to the pool, playfully pushed him in, and then jumped in myself. My hand found his cock in the water and I stroked it a few times before Allen picked me up by the waist. I kicked up my legs and wrapped them around him as I sank slowly down onto his waiting shaft, gasping as it parted my pussy lips and inched up inside me. "Honestly, I wondered if this ever might happen," Allen said as he began pumping me up and down on his thick cock. "Shut up and fuck me," I said over the sounds of Casey and Coreen moaning.

I kicked up my legs and wrapped them around him as I sank slowly down onto his waiting shaft, gasping as it parted my pussy lips and inched up inside me.

Allen's cock felt amazing inside me, and between that and the water I was in heaven. Over and over again he pumped me up and down, our fuck parts grinding together in rhythmic bliss. I drifted into a state of ecstasy. Then it sounded like Casey and Coreen's voices were getting closer, and all of a sudden I felt Coreen's smooth back against mine. Casey had navigated her through the water to Allen and me, all the while maintaining his cock inside her.

Back to back, the guys fucked Coreen and me. The guys fucked us harder and then as if by some crazy sex magic Coreen and I screamed and we all came at once! After each of us caught our breath, we sat in the shallow end and made small talk. It was agreed that a mutually good time was had by all. We swam a bit, had some more drinks, and eventually fired up the grill.

Eventually, our neighbors went home, leaving Casey and me to reflect on the day's events. "Yup," Casey reiterated, "that was pretty fuckin hot." "I know," I said. "Who'd of thought? And who else can we fuck?" Casey's mouth popped open in disbelief, and then it quickly turned into a sly grin. He pulled me closer to him and grabbed my pussy. "Anyone you want, babe. Anyone," and kissed me deep by the grill.

first time in the moonlight

i was ready but she was even more ready... and willing

Savannah and I left work late together one day late last week and headed for her favorite Asian restaurant which was in a mall across town. We had met only a few weeks ago, but we've hit it off and it seems like we've known each other much longer. We got out of the car and as she walked through the restaurant door, I checked out her kick-ass body. She had a beautiful butt that swayed nicely inside her black skirt. She liked wearing button-front shirts that were unbuttoned provocatively low. Her ample chest was always straining the button's holding power. Her long blonde hair was pinned up and showed off her slender sexy neck. Beautiful blue eyes complemented her natural eroticism.

As we ate, the conversation turned to our ex-spouses. I said I've been divorced for three years and for her it's been just over a year. We also shared that both our divorces were over and the ex was out of our lives. We shared horror stories on things that led us to divorce and laughed when we should have been crying. Before our dinner ended, I asked if she had plans for the night. She said she didn't. I asked if she wanted to walk down the mall to the theater complex and take in a movie. I promised to have her home by ten.

The movie was a cute comedy set at a wedding and the trials of newlyweds trying to live together. We laughed hard at the times it reminded us of ours. After the movie we headed back to the parking lot and I opened the car door for her and she slid into the seat. As she did her skirt rode up and I got an immediate rush to my groin. By the time I walked around the car to my side I could feel my cock stirring. As I drove her home, I kept glancing over as her as she moved and adjusted her legs. I tried not to be too obvious but she caught me a couple times and just smiled.

I pulled into the driveway of her house and leaned in to kiss her. She accepted my kiss and even kissed me back harder. I had an immediate woody that was straining to get out of my pants. I pulled Savannah closer to me and her skirt rode up even higher baring more of her tanned thighs. Within minutes we were kissing each other deeply and our tongues explored each other's mouth. I reached down and stroked the bare skin of her thighs as I kissed her. Savannah responded by feeling for my crotch. As we kissed, Savannah unzipped my pants and felt for my cock. She slipped her hand through the opening in my boxers and, like that, my cock and balls were free. She took hold of my cock and stroked it. As we kissed, I tried to get my hand inside her panties but she moved away. At first I was disappointed but then she lowered her head to my lap and surrounded my cock in her mouth. I groaned loudly as she deep throated my man-meat and fondled my balls in her hand. My hands pushed hard on the steering wheel and my legs at the floor.

After a few minutes of excellent cocksucking and tongue play, Savannah straightened up and smiled at me. She fixed her skirt before opening the car door. I shoved my cock back into my pants and zipped up before getting out of the car. Savannah let us into her house and we started kissing and undressing each other as she steered me in the direction of the bedroom. By the time we got to the bedroom door, we were naked and she grabbed my stiffie and pulled me over to the bed. With the moonlight streaming through the window, I could make out the outline of her beautiful breasts and hairless mons. She

briefly sat on the edge of the bed and pulled the pins from her hair unleashing a cascade of blonde sexuality onto her slim shoulders.

We were so ready that I didn't even have time to get in bed with her. As I approached, she grabbed my cock and guided it into the mouth immediately. Like a hungry dog protecting it's dinner bowl, she wolfed down the entire thing with a fervor and gusto I had not seen in a woman's blow job. My knees buckled and she grabbed both my ass cheeks pulling me deeper into her mouth. I managed to lower my hand and cup her boobs and pinch her nipples and that sent a wave of pleasure through her. I'm getting closer to cumming but I don't want to. I lift a leg onto the bed and offer better access to my balls and she starts licking and playing with them so my cock gets a temporary reprieve from her mouth.

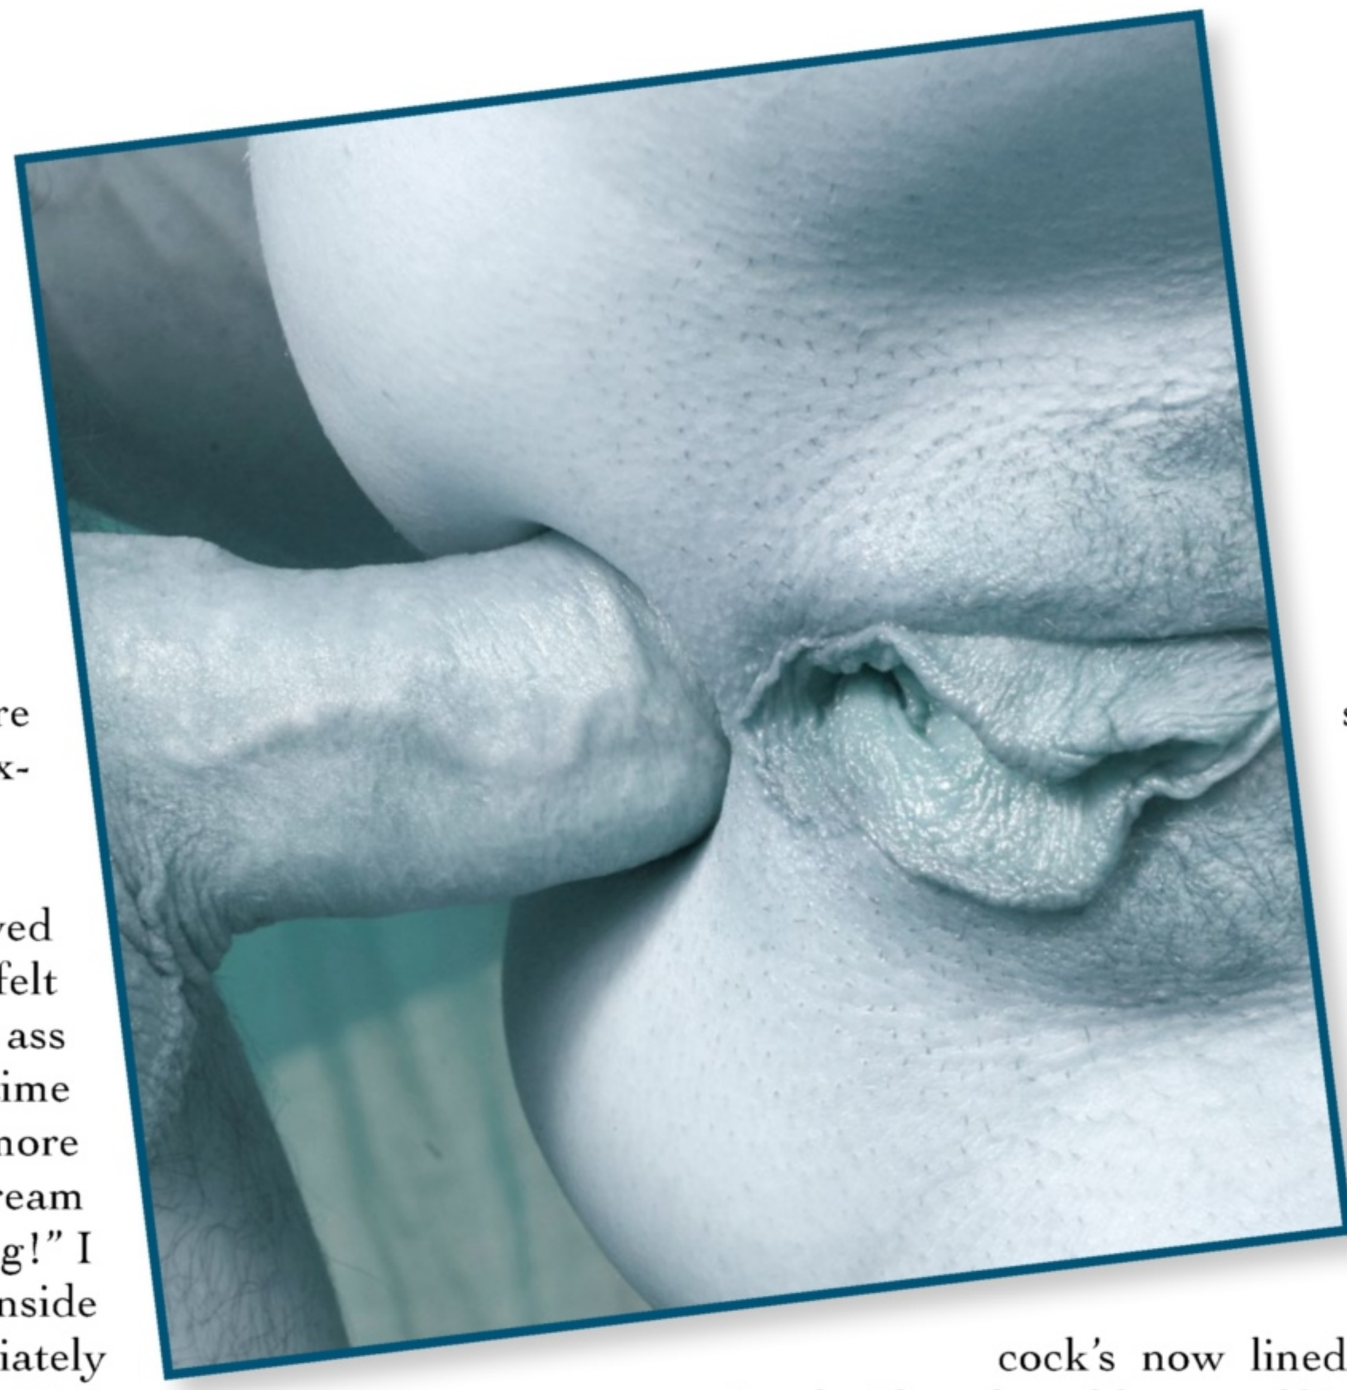
I put my foot back on the floor and gently push her shoulders back down on the bed. I attack her pussy and she opens her legs wide for me. I position myself between her legs and she throws them back behind her head like a contortionist. I lick furiously at her pussy and she squeals loudly. I put my hands under her hips and lift them a little more and I start licking her butt hole. Well, that just sends her over the top. I lower my lips to her pussy again and move my fingers into position on her anus. I gently rub around the outside, just teasing the hole enough to feel her shudder.

I pull her legs down and slide myself upwards to her heaving chest. My mouth finds her left breast and my hips slide between her thighs, my cock automatically slicing into her wet pussy like a hot knife through butter. Savannah moans as my cock enters her and she wraps her arms and legs around me as I plunge deep into her. Her body rocked and rolled as she met each one of my thrusts in return. It was all I could do to hold on as she bucked up at me.

But it was time to switch positions and I got off her and I moved her to doggy with her ass elevated and her head on the pillow. I started playing with her pussy and her curvy ass, lubricating her ass hole with her own pussy juices. From behind, I fingered her pussy and then her anus, all the while she was cooing like a pigeon in heat. I straightened up and guided my cock right into her wet pussy. I pushed it in and pulled it out and did it some more. I leaned over and played with her bouncing boobs and I could see in her eyes that she was floating away. I thought this may be the perfect time so I gently put a wet finger at her back door, rubbing and teasing her there. I pushed a finger in to the first knuckle and there was no resistance from her, but there was a little from her tight sphincter muscle. I pushed it in further and with a second finger continued playing just outside her perfectly puckered star.

I took out my finger and bent down to whisper that I was going to fuck her in the ass. She gave out a low "mmmm" and reached under the other pillow and pulled out some lube. I squirted some on her ass and some on my cock and proceeded to knock at her back door with it. Her hips rose higher in anticipation and I did not disappoint. I pushed the head in and she reached back and clutched my legs. A little further in and she dug her nails into me. A little more and she pulled my hips in to ram my cock in deep.

I eased back and then again until my cock was sliding easily in and out in the timeless rhythm of sex. I massaged her butt cheeks and I know she liked that. My hands caressed her back and I ran them through her hair, using my nails gently on her scalp and I could tell she liked that, too. My hands slid down between her legs to play with her clit, but her hands beat me there, so I held mine back and let her keep fingering herself. I pulled on her labia and massaged the area between her



pussy and anus to more low, soft growls of sexual pleasure.

That probably proved too much for me as I felt my cock inside her ass tell me that it was time to blow. With a few more hard pumps and a scream that said "I'm cumming!" I let loose a load deep inside her ass and she immediately started to cum herself. Her pussy muscles convulsed flowing her juices all over her hands and my balls. I massaged her butt cheeks making her feel better than she was. Then I took her by the hips and rolled her onto her back. I let her rest for a minute before I wiggled my way back up to her pussy and engulfed it with my mouth. I made a large 'O' shape with my mouth and latched onto her pussy. I gently sucked the entire area while my tongue was let loose inside to burrow into her pussy. Besides her sexy moans, I enjoyed the sweet taste of her wetness.

She let my hot tongue run loose around her womanhood. I found her clit as hard as my cock and enjoyed the sensation of swirling my tongue around her pearl in the ocean of her wetness. Savannah went wild and started bucking and moaning loudly. I sucked her clit as deep into my mouth and lapped at it with my tongue as Savannah humped my face for all she was worth. I was thrilled that I was able to get her that excited and I sucked harder and played with her wonderful clit with my lips, tongue and teeth. I don't know exactly how many times she came but I had never seen anyone cum that hard before. I was proud of myself that I could use my cock and tongue to make her cum.

She cooed softly and rolled on her side to cuddle with me. We talked in the moonlight for several minutes as she was still stroking my cock. I told her what a great time I was having and what a wonderful time this was. She said, 'her too' as she continued to stroke my cock. Then she rolled over onto her stomach and I grabbed the lotion and squirted some out onto her butt. I rubbed it onto her cheeks and into her crack. She raised her ass slightly and I slipped a lubed finger into her rectum. She first gasped at the intrusion but then relaxed and enjoyed the stimulation. I slowly inserted a couple fingers into her ass. My cock noticed this and instantly became rock hard again. My cock's now lined up at the back door. Gently I knock and let myself in again. Savannah again gasped at the intrusion but she did not resist. I eased my cock into her ass until it was completely buried to the hilt. Again, I started my rear engine slowly as I had before and then let nature take over and I pumped her harder and harder.

Even in the dim moonlight I could see Savannah's ass and my cock as I fucked her butt. It was a pretty sight. To find a woman that seems to like or accept anal sex as readily as Savannah is indeed a rare thing. In the meantime, Savannah's hands crept under our legs and she found my balls bouncing off her pussy. She grabbed them and twirled them around her hands like a juggler. I felt my body stiffen, my balls tighten and as they pushed their splooge through my cock and into her butt hole. I pulled my cock from her ass as I continued shooting more cum at her asshole. When I finished I collapsed on top of her and then rolled off. But I apparently didn't finish the job I started on her. Still on her knees, she continued fingering herself until she screamed out a final orgasm. I watched her ecstasy as I massaged her cheeks and she purred her way down to lay flat on the bed once again.

We slept together that night and in the morning I felt a warm sensation on my cock. She had wet a face cloth and wiped my pubic area and was paying special attention to my half-hard cock. Then her mouth was at it again. I stiffened and in minutes came again. I returned the oral favor and she writhed in climax. She served me breakfast in bed and I served her lunch between her legs. We wrestled the rest of the day away in bed and deep into the moonlit night.
